NOTE VERBALE

BUD/EDUCATION/327/1/2018

May 18, 2018

The Embassy of India in Budapest, Hungary presents its compliments to the Mayor's Office in Zavidovići and has the honour to convey that Government of India has allotted 5 civilian training slots to Bosnia and Herzegovina under the Indian Technical and Economic Cooperation (ITEC) Programme for financial year 2018-19.

The Indian Technical and Economic Cooperation (ITEC) Programme was instituted on 15 September 1964 as a bilateral programme of assistance of the Government of India. The ITEC Programme, fully funded by the Government of India, has evolved and grown over the years. As a result of different activities under this programme, there is now a visible and growing awareness about the competence of India as a provider of technical know-how and expertise as well as training opportunities, consultancy services and feasibility studies. Training or capacity building is one of the major activities under ITEC. Professionals are offered unique training courses in different centres of excellence in India which empower them with not just professional skills but prepare them for an increasingly globalized world.

Embassy invites participants from BiH nominees. The details of the courses ranging from Agriculture, Food and Fertilizer to Women Empowerment can be browsed at https://www.itecgoi.in/stream_list.php. The procedure to apply and application form may kindly be seen at https://www.itecgoi.in/how_to_apply.php and the rules and regulations governing the scholarship can be accessed at https://www.itecgoi.in/terms_and_conditions.php.

The Embassy of India in Budapest, Hungary avails itself of this opportunity to renew to the Mayor's Office in Zavidovići the assurances of its highest consideration.
